This Pre-Vetting process results in a background check prior to being placed onto the base access list for the event. Visitors ages 15 years and below do not have to be placed on the access list; however, they must be accompanied by an adult who is on the list. If you do not have a Military ID card or CAC, please contact (703) 565-4712 to provide information required for the base access list for this event. Information must be received **not later than June 24, 2019** - once the access roster is submitted, no additions may be made to it. Please note that by getting on the access list, it will save time having to go through the Base Security to access Fort Belvoir and reduces the traffic back up at the gate.
